WORK EXPERIENCE

Computer Science Tutor

Saint Xavier University

January 2020 - May 2021 Chicago, IL

- Planned lessons for small groups of students providing 6 hours a week of targeted computer science.
- Provided feedback on assignments, and taught trouble areas until students reached mastery.
- Engaged students 1:1 discussions, small group discussions, and breakout sessions, utilizing various discussion methods to actively retain attention across a variety of learning styles.

CAREER OBJECTIVE

Problem solver and strong communicator eager to prove my value and talent. Motivated to advance and expand my skill set through targeted mentorship and challenging projects. I see myself being a full-time software developer given the opportunity.
